

EXPERTS IN PATIENT HANDLING SOLUTIONS

# FISHERMANS LEGS / PRO DRESS ASSIST PACK

## INFORMATION SHEET

A complete **Fishermans Legs / Pro Dress Assist Pack** available in four different sizes that enables an individual, or one or two carers to be dressed fully in bed.

## FISHERMANS LEGS / PRO DRESS ASSIST PACK

The **Fishermans Legs / Pro Dress Assist Pack** is a range of easy to use slippy legs and sleeves to help put on clothing.

Our **Pro Dress Assist Pack** is designed to help a carer to put trousers/pyjamas on a bed bound person, or some-one who requires a lot of help/assistance.

Available in 5 sizes as standard with additional sizes for Paediatrics and Bariatrics available by request, this pack will truly cater for those who need help from healthcare staff or carers with dressing.

**Pack contains:** 2 x legs, 2 x arms, 1 x flat slide sheet and a handy storage bag.

## BENEFITS AND FEATURES

## WHY IT'S THE BEST

Dignity is paramount for all people, and the ability to be dressed and look your best for whatever task is at hand is an essential necessity for all individuals. The **Pro Dress Assist Pack** reduces the risk to both you and the patient.

There is no other product like it available. Designed and made exclusively by Hospital Direct, the product pack elevates strain to the carer, and reduced the risk of skin sheering for skin conditions and fragile patient.

Do you have a specific client in size that needs support when getting dressed? If so, we have many different sizes available, as well as standard options.

The **Pro Dress Assist Pack** is an essential tool for any Occupational Therapist or full time carer who wants to make their patients' daily lifestyle dignified and comfortable.

# WHY YOU SHOULD BUY FROM US

Specialising in Patient Moving and Handling across all healthcare sectors, including Hospitals, Community, and Home Care settings; Hospital Direct has been at the forefront of Patient Handling for over 25 years and is the UK's leading manufacturer and supplier of patient handling equipment.

Hospital Direct are internationally recognised as Experts In Patient Handling Solutions, and has built its reputation on product quality, fair pricing, customer service, and fast delivery times. We are also known for having the widest self-manufactured moving and handling product range in the world, and offer professionals access to the 'HD Knowledge Zone' where they can receive training, knowledge, and advice, for situations which require dignity and care. We take our product solutions very seriously, which have all been developed on the back of real issues that healthcare professionals and individuals have required resolutions for.

From helping to get legs into bed in a homecare/community setting, to proning patients in theatres and surgery, Hospital Direct offer a range of standard, exclusive, and bespoke handling solutions which ensures that you and your colleagues can find the right products to fit your needs.

UK: Medical Devices Regulations 2002 (SI 2002 No 618, as amended) (UK MDR 2002).

EU: Class I non-invasive devices registered under or complying with the Medical Devices Directive (MDD) 93/42/EEC (as amended in 2007).

Such a pleasant experience in dealing with  
Hospital Direct. A company who actually cares.
