CAR SLIDE SEAT

INFORMATION SHEET

The **Car Slide Sheet** is a simple slide sheet to help swivel in and out of a car with ease.

CAR SLIDE SEAT

If you need a bit of help swivelling in and out of a car, then this **Car Slide Sheet** will be perfect for you. Just tuck it between the back and base of the seat to help secure it, sit back in the seat and swivel around.

It can be used on it's own or in combination with our **Leg Lifter**. This is a device that will make car travel easier.

NOTE: Always remove before driving or while the vehicle is moving.

WHY IT'S THE BEST

The **Car Slide Sheet** is simply the best due to its cost efficiency, easy to use nature, and slide-ability.

The **Car Slide Sheet** is made from our own unique weave of Slide Sheet material which we call 'Slideezi®', which is effective for repositioning a person in a whole range of movements for various purposes.

Should the product somehow get dirty and unclean, the **Car Slide Sheet** has a high washability threshold, meaning that you can have a clean sheet wherever you go.

The **Car Slide Sheet** is made with ease in mind to help you, your loved one, or your client, get in and out of vehicles in a safe and dignified way.

Car Slide Seat	Size	Product Code

WHY YOU SHOULD BUY FROM US

Specialising in Patient Moving and Handling across all healthcare sectors, including Hospitals, Community, and Home Care settings; Hospital Direct has been at the forefront of Patient Handling for over 25 years and is the UK's leading manufacturer and supplier of patient handling equipment.

Hospital Direct are internationally recognised as Experts In Patient Handling Solutions, and has built its reputation on product quality, fair pricing, customer service, and fast delivery times. We are also known for having the widest self-manufactured moving and handling product range in the world, and offer professionals access to the 'HD Knowledge Zone' where they can receive training, knowledge, and advice, for situations which require dignity and care. We take our product solutions very seriously, which have all been developed on the back of real issues that healthcare professionals and individuals have required resolutions for.

From helping to get legs into bed in a homecare/community setting, to proning patients in theatres and surgery, Hospital Direct offer a range of standard, exclusive, and bespoke handling solutions which ensures that you and your colleagues can find the right products to fit your needs.

UK: Medical Devices Regulations 2002 (SI 2002 No 618, as amended) (UK MDR 2002).

EU: Class I non-invasive devices registered under or complying with the Medical Devices Directive (MDD) 93/42/EEC (as amended in 2007).

Such a pleasant experience in dealing with Hospital Direct. A company who actually cares.
